

This August, we received an anonymous letter from a community member and library supporter. The letter challenges residents of Hellertown Borough and Lower Saucon Township to donate to the library to help with the cost of building renovations. The letter included an initial donation of \$1000, and a promise to match future contributions up to \$5000. As of 10/17/2014, The **Community Challenge Grant** has raised a total of \$4270.00 !!!
